St. Pat's 5k

March 11, 2006

The St. Pat's 5k race was well-attended this year with 596 finishers and good competition in all categories.

The weather was mild with very light winds and reasonably quick times.

The overall female winner (Melissa Fleenor) ran 18:42, while Matt Laye led the males with a 15:46.

Thanks go to Coach Steve Kissane and his crew of 25 Hickman High School Cross Country and Track kids who covered our turns and intersections for us on both the 5k and the 1-mile kids' run held in conjunction with the 5k.

Thanks also to Tom Allen (father) and Tom C. Allen (son), Jim Keown, Randy Gay, Tom and Linda LaFontaine, Joe Cragin, and Scott Rubenstein for working the finish line and results.

We also had great help in motorcycle support from Jeff Forck and Shelley Jones.

Finally, our sponsors also deserve thanks: KFRU radio, Mosers, Columbia Regional Hospital, Tryathletics, and Aquafine.

We'll have the run again next year, so start training now. As always, it is the first "Big" event of the season, so be ready.

—Race Director Steve Stonecipher-Fisher

10,000 Meter Run: 1, Peter Fritsch 40:54. . . 4. Tim Gibson 43:02 February 8, 1981: 5-Mile Ham 'n Spam race: 1. Steve Fisher & Jeff Mittelhauser 25:29, 2. Dave Harris 26:10, 3. Bob O'Connell 27:03. 1st 40+ Ben Londeree 28:50, 1st 50+ Don Johnson 32:42, then Turk Storvick 32:43. 1st female Milene Hollon 32:13. 204 runners in this first Ham 'n Spam race. Joe Kurth, a CTC member, lived in the NE part of Columbia and he wanted a race out in his part of town. So we laid out a 5-mile course with the start & finish at Keene and Buttonwood between Nowell's & Columbia Regional Hospital. The course went south on Keene to St. Charles Rd, to Lake of the Woods back on I-70 Dr. SE to Keen & Buttonwood. Nowell's did promotion and publicity, while Columbia Regional Hospital, as co-sponsor, bought hams (1st and 2nd place finishers in each age group) and cans of spam (all other finishers). Later, mainly through Robin Armbruster, the race was called the Columbia Regional Hospital 5-Mile Winter Road Race, always held in February. One of the most memorable was when the start was in the midst of a blinding snow storm with snow all the way during the race. After several years (in which participation was well over 1,000 runners a couple of times--and we used the "stick" system for scoring!) the hospital people decided they wanted to have the race moved to downtown as a St. Patrick's 5K. That was done and the St. Pat's 5K has been a fixture ever since

Greetings!

Having grown up in the "popsicle sticks at the finish line and print the race results in the newspaper" generation, it's taken me awhile to accept that computers can potentially save time and get the race results out there for the world to see before the news-

paper goes to press. And, after the recent St. Pat's 5K, I realize how important our website is to the running community. There was a three day delay in posting the results as a determined Tom Allen waded through finish line confusion, rescanning and verifying everything. Our webmaster recorded over 2000 hits during that three day delay!

In August of 1995, we bought the first CTC laptop, complete with race software. In 1996 Curt Kempf created our webpage. Kurt Kennett gave it new pizzazz, and our current webmasters, Hugh and Andy Emerson, work continuously to keep the information updated. In the near future, online race registration will be a great time saver for whoever enters the registrant's data into our laptop. With our latest software update, runners who register online can be entered into the computer with one keystroke. That's a huge time saver. Of course, online registration makes registration easy for out of town runners. In our First Night 5K we had 14 different states represented, and runners from 29 different cities in Missouri. In the St. Pat's race, we had 137 runners from out of town. You can also pay your membership dues online. Who knows, maybe in 10 years we'll even try chips on shoes, if the cost ever comes down so we can still have inexpensive races.

PLEASE TAKE NOTE:

The SUMMER YOUTH PROGRAM will NOT be held at Hickman High School track this summer. HHS and RBHS tracks will not be available as they plan to install astro turf on the football fields. We are currently working on the possibility of using the MU track. We hope to keep our usual Wednesday evenings, beginning June 7th, at 6:00 p.m. We should know about the MU track soon. Look for updates on the website and in our next newsletter.

We have an additional race for our calendar: The 2nd annual "Smokin Chicks BBQ 5k" will be on Saturday, July 22nd, 7:30 p.m., at Southampton and John Garry Dr. Kids tot trot is at 7:00 p.m. For info call Jamie Moreno 660-238-1083 or email <u>Jamie.moreno@williamwoods.edu</u>

Again many thanks to all our wonderful volunteers! Without you none of this would be possible!

See you down the road. Linda

"Serious sport has nothing to do with fair play. It is bound up with hatred, jealousy, boastfulness, disregard of all rules, and sadistic pleasure in witnessing violence: in other words it is war minus the shooting."

-George Orwell

I found this quote once and it struck me as amazingly true.

While not the most flattering of things for runner to say about sport, running is truly the most basic of things to do. It is primal and at one time needed for survival. Sometimes people ask why someone would ever want to run, the answer is: it's natural.

When Did You Start Running? I started running in 2000 as a sophomore in High School. I quit the soccer team and decided I would give it a try, I liked it...

Who Is Your Running Role Model? Who Has Influenced You Most In Running? Leonard "Buddy" Edelen is my running hero, one of the most underrated runners in U.S. history; he was the first person to ever break 2:15 in the marathon. All of my coaches have influenced me beyond comprehension, but Steve Stonecipher-Fischer and my first college coach, Steve Lucito, both had huge impacts on my ideas about training. What Is Your Favorite Workout? I love to do 6x mile at either threshold or interval pace, something where on the last one you can really bust out and move. I think long tempos are the best workouts though, 15-16 miles at marathon pace with surges of a mile or so at threshold. They wear on you, but nothing will get you in better shape, and with a 2 mile warm-up and a 2 mile cool-down you get 20 miles in; what is better then that? What Is Your Favorite Training Route? I love running out at Gans Creek in Rock Bridge State Park, out on the bluffs. But I am also a big fan of getting out on gravel roads where you can just run along pastures and drift away.

Personal Info and Interests: My life is pretty centered on running. I go to the University of Missouri and gave up my last two years of eligibility to train primarily for marathons and half-marathons. I live with two guys on the CTC team and train with them along with a host of other people. I work at Tryathletics and love hearing about people's running.

My parents are probably my biggest supporters with my running. Whether it is driving next to me to give me water at Heart of America or lending me money so I can get to a race far away, they are great and always there for me.

Columbia Track Club performed well at the Brew-to-Brew Relay on March 20th. Four CTC members, Patrick Hanson, Matt Laye, Andrew Norton and Eric Bunch, combined with Steve MacIntyre to run the 44 mile relay in an average pace of 5:09 per mile. Each runner ran two legs ranging in distance from 2.3 and 5.3 miles with an hour rest between. Throughout the race, Columbia and the Mule Track Club traded the lead four times making for an impressive show-down. Comprised of four CMSU alumni and Kansas City standout Eric Graham, the Mules took the race down to the wire with CTC. In the end it was the Mules who came out the victors, winning the three hour and forty-five minute race by just a minute. Both teams were under the previous course record.

The same group of Columbia Track Club members heads to Kansas City on April 29th for the Sabates Trolley Run four miler. There they will play their hands against a handful of the best regional and national road racers.

• News from the Shelton family:

Alexa took the SILVER in the 10 and under high jump and 7th in the long jump @ the AAU National Indoor meet in Knoxville! Her 3' 10" jump was the 2nd-best in history indoors for 10 and under girls and the winner broke the record of 4' 0" by going 4' 2". Alexa jumped a PR 10' 11 3/4" in the long jump! (not bad for her size PLUS having ASTHMA and still just 9!) Looks like we already have a WINner for next years Youth Athlete of the Year Award!

P.S. Amina was injured (hamstring) and didn't medal. She DID give it one heck of a try!

AND

Dad, Derek, went to Linz, Austria for the World Indoor Masters on the 20th and reaggravated his hamstring injury from Germany. Derek still managed to place 23rd and earn his Diploma! He is going to wait 3 years to turn 50 before he gives it another try at a World championship meet.

CONGRATS, Shelton family!!!

Please tell Linda that her column about race tee shirt quilts was very interesting.

I have about 100 of them that Margaret is going to select some of the unique ones and also have a quilt made of them.

Here's another way that I have used them: Several years ago I took 85 brand new, never-used race tee shirts that I had accumulated over the years, to the Children's University of Mo. hospital. They used them for children's gowns and the kids got a big kick out of them, even though when they put them on the shirts came down to their ankles. But they appreciated them for something different from their usual hospital gown.

Don Johnson, Centralia, MO.
