"Indian Summer"later on the temperature reached 86, a record; high for an Oct. 20. Not really a very good day for a race, so most runners weren't very close to PB's, nor were any records set. 7 of the first 8 runners were UMC cross country personnel, enjoying a weekend off from the races. The CTC exception se was Tom LaFontaine who did a good job running with the UMC boys. And, of course, Mike Kruse is really CTC.

RESULTS OF THE NATIONAL POSTAL AAU TWOM WALK October 13:

1. Randy Mimm

14 miles 276 yards (Mile Splits: 8:58, 17:33
25:58, 34:12 42:18, 50:33, 58:56, 1:07:18, 1:15:36,
1:23:48, 1:32:08, 1:40:36, 1:49:15 & 1:58:11)
2. Rob Spier

11 miles, 221 yards (11:02, 21:52, 32:37,
43:17, 54:05, 1:04:50, 1:15:46, 1:26:43,
1:37:31, 1:48:10, 1:58:43)

3. Henry Bent 9 miles, 507 yards (12:28, 25:30, 38:29, 51:06, 1:04:08, 1:17:25, 1:30:48, 1:44:01, 1:56:27)

4. Joyce Schulte 9 miles, 471 yards (13:00, 25:55, 38:30, 51:06, 1:03:40, 1:16:17, 1:29:15, 1:42:48 1:56:24)

Spier was 219 yards off his DT, Bent was 383 off & Schulte was $1\frac{1}{4}$ miles plus 31 yards more than she predicted.

Bari Garner-Holman came down from Shawnee Mission, Kansas to walk 10,000 meters-his first racewalking event. He did exceptionally/for a first race, walking the 10 K in 53:59, with mile splits of 8:17 (pacing off Randy Mimm), 16:47, 25:31, 34:18, 43:10 and 52:08.

WESLEY PAUL ran both the Chicago marathon (on Oct. 20) and the Macy's marathon in Kansas City (on Oct. 28). As might be expected, he did remarkably well in both. But the performances were even astonishing for Wesley, because he was supposed to running them as mere workouts. You see, he had suffered a stress fracture in his foot when he stepped in a ditch during the course of his last long run before the Heart of America marathon. That is the reason he was unable to run H of A. His foot in a cast, Wesley did no running for five weeks. Then he did some slow jogging for some three weeks—this brought him to the Chicago marathon. The only reason he went there (for a "workout") was because of a request by the publisher of the book about Wesley (which will soon hit the book market—watch for it) to come to Chicago to autograph books. Anyway, Wesley ran in humid, 83° heat and did a leisurely 3:10+. Then he rested a few days and decided he was fit enough to atlleast enter the Macy's marathon and run at least half the distance. He was told to run only as far as he felt like. Well, that is the wrong thing to tell Wesley, for he ran 26 miles, 385 yards and probably would have gone farther had there not been a finish line to stop him. Wesley's time on the hilly Kansas City course was a remarkable 2:55:26, getting him second in the age 17 & under age group. His halfway split was a steaming 1:23:50. So much for "workouts." Wesley's next planned marathon is the Joe Steele Rocket City Marathon, Huntsville, Alabama on Dec. 15. It was there that he set the age 9 marathon record last year at 2:56:57. In fact, the Rocket City marathon is one of the very best marathons in the country from the standpoint of organization, the course (farly flat), weather, etc. Highly recommended—if anyone is interested check with Joe Duncan for entry blanks.

Upper 30's to upper 50's, sun shining, strong south wind. Three "older" walkers were competing against three young fellers, and age was certainly victorious on this day since only the old men perservered for the entire distance. Notice the battle between Bent and Taft. Only once did Taft assume the lead. That was shortly after 20 kilo, but Dean Bent decided that he would not let the "kid" take this race, so he went back into the lead and stayed there.

Mimm and Young had in mind doing a 50 k in Mimm and Young had in mind doing a 50 K in lead and stayed there. 4:35 or less so as to qualify for the Olympic trials. This required an 8:50 per mile pace, which they held through 25 K, but they realized that this wasn't the day for them to keep that pace, so they lost their incentive to keep and the continuous to keep that pace the continuous to keep the continuous to keep the continuous the continuous to keep the continuous the continuou Spier was 6:45 off his DT while Bent was off centive to keep going. Spier was 6:45 off his DT while Bent was off 10:22 and Taft 12:20. All of them slower than they had thought-first it was cold, raw and windy -- then, with the sun, it got pretty warm.

Results of the RRCA National Postal One Mile Run have come in. CTC put a few runners in the upper echelons of the various age groups. WESLEY a few runners in the upper echelons of the various age groups. WESLEY PAUL was 2nd, age 10-11 with 5:17.7, PETER HESSLER was 60th with 6:18.5. There were 112 in that group. KEVIN STOCK was 5th in 16-17 with 4:38.4, out of 54. In age 25-19, BEN WELCH was 9th with 4:46.2, TOM DECOSTER 16th at 4:47.5. In 30-34 TOM LAFONTAINE was 10th with 4:43.9, DOUG BELLOWS 18th at 4:57.2. Then, CTC had two age group winners: DON LEWIS, 40-44, 1st out of 73 with 4:45 and BEN LONDEREE, 45-49, 1st out of 38 with 4:44.0. In 40-49, OLEN BROWN was 9th at 5:07 and JOE MARKS 11th at 5:09. In 45-49 DICK MARTIN was 7th at 5:15. In 50-55, DON JOHNSON was 8th at 5:19 and TURK STORVICK 10th (out of 31) at 5:38. For the women, SUSAN BOYLE had the best showing, placing 5th out of 49 in the 30-39 group at 6:22.4.

The only CTC team which won a team title (top 3 scoring) was the age 45-49 team of Ben Londeree, Dick Martin and Joe Duncan. JOE DUNCAN? WOW!, can you imagine such a thing? Joe Duncan being part of a winning team? And with a 5:39 mile? Well, that's the way it came out. But, Joe Duncan has never won anything before. Well really he has. Eleven years ago he won the very first CTC race, a ten mile track race in which he was one of some ten "joggers". ten "joggers." Also, one time, he won the singles title in a bowling tournament. But, all in all, he hasn't really won anything before. So, Duncan is on a winning team—not only that, but that team set the RRCA Postal record for the age 45-49 group. The secret, of course, is to attach yourself to two really good runners and hope that other teams have no more than two good runners.

Speaking of records, CTC also has the team record for the 40-44 group, the 14:02 set by Lewis, Londeree & Hicks in 1977. Individually, Lewis has the age 41 record of 4:36.3, Londeree the age 44 and 45 records of 4:46.0 and 4:44.0 and Don Johnson has the age 49 record of 5:24. Susan Boyle, for the women, has the age 36 record, her 6:22.4.

Other CTC teams went like this: Women 30-39, 3rd; Men: 25-29, 4th, 30-34, 5th, 35-39, 6th, 40-44, 2nd. A total of 1516 runners participated in this event. The most outstanding performance was probably that of Clive Davies who set a world over-60 mile record with an incredible 5:15.2 at age 63. The Oregon RRC won most of the team titles--8, and had three individual firsts and six individual seconds.

We have received word of another death of a runner--Dick Sallee. Again we find this information shocking and upsetting. Dick had completed four Heart of America marathons and he and his sons had been in many other of our races. Dick had done a 20 mile run on Oct: 14 in preparation for Tri-States. Then on Oct. 16, in the evening Dick had jogged a mile on the track and then started to walk. His running companion, Lee Roy Sevier, then saw him down. Dick had a massive coronary attack and was probably dead before he hit the ground. Dick lived in Bowling Green, Mo. He had been a teacher there until recently when he got into construction work. tainly convey our sympathy to Mrs. Sallee and her four children.

REX FRAZER continues to run and race in Korea. He has been in seven races over there, winning 3 (for his age division) and finishing 2nd in the other four. His latest was a 10 kilo race with hills and heat and a time of 38:03 for a first by 7 seconds. Rex plans a marathon on Nov. 4 which, he hopes, will qualify him for the Honolulu marathon-or, that is, qualify him for a trip to that race.

CONGRATULATIONS to TOM & ARLINE HINCKLEY for the birth of their son, Michael Joseph, who was born on Oct. 15, which happens also to be Tom's birthday. The lad checked in at 8 pounds, 6 ounces and with a Morton's toe. And a lusty voice, I'm sure.

JON HERBERT won a 5.3 mile race in Springfield on Oct. 14 with a time of 27:12, almost two minutes ahead of second. Then the following week Jon finished second in the MVAAU 30 kilo run (the race which was a Columbia fixture for many years), also in Springfield, with a time of 1:44:21. Winner was Dan Dwyer with 1:38:42 and third was DENTON CHILDS with 1:45:04. The winning time would be a new MVAAU record, assuming the race was on a certified course. The old mark was 1:43:15 held by Doug Clark & Jeff Roth and set here last year. The Springfield course was reported as being pretty hilly.

JOAN HIRT ran in the Chicago marathon with a time of 3:43:50 under the adverse conditions of heat and wind. Joan isn't doing even close to her training in 1977 when she did Heart of America in 3:09, so her idea in Chicago was simply to run and finish and that she did.

CTC RUNNERS DID QUITE WELL IN MACY'S KANSAS CITY MARATHON & 10,000 METER RUN. In addition to Wesley Paul's 2:55:26, we had JEFF MITTELHAUSER at 2:44+ for 22nd place (out of 780 some finishers). Jeff was pretty disappointed with his performance since this was a personal worst for him by five minutes. At halfway he was 1:13:50 and not feeling too comfortable, so he thinks he was out a little too fast. BRUCE MAXEY was 39th at 2:49:26, a PB by four minutes. DAVE ERVIN was 121st with 3:08:26, 17 minutes better than H of A. BOB CHAPIN and DENIS VAILLANCOURT were both around 3:12. BOB SCHOTTMAN was 3:12:54. MARIN BLEVINS, in his first marathon, was a little over 3:30. DICK MADSEN was around 3:43. MIKE KOONSE was there, but I have no time. DENTON CHILDS was 10th, around 2:35, I suppose. Winner was Bob Busby at 2:20:34 while Steve Fisher finished 2nd at 2:26:03. Rex Power was 7th at about 2:34.

In the 10,000 meter run we had TOM EKVALL with a 38:24 PB on virtually no training, JOHN HEMPHILL around 36:00, CAROLE SCHOTTMAN with 56:04, son Steve in the low 50's, FRED & NANCY FRITSCH and two children were there. In fact, there, no doubt, were many other CTC people in both races but I have no results for them. There were some 2000 people in the 10,000 with Craig Virgin winning that race by a large margin in 29:25.

CTC held its annual meeting on Oct. 19. Basically it was decided to continue with the same program and format as in previous years, but, as always, we will see some innovations and expansion. Annual dues were fixed at \$5.00 with the dues being payable on or before December 1, 1979. If you first joined CTC sometime after June 1, 1979, then you are paid for the '79-80 "season."

A personal note from Joe Duncan: I want to say "Thanks" to all of you who contributed to the gifts which were given me at the annual meeting. I'm like anyone else, that is, it means a lot to me to know that my efforts are appreciated. But it must be understood that CTC could not possibly function without all of the work and effort of all of you. The cooperation we get from you in race administration, the FUN RUNS (Jim Walter, especially), and in all aspects of our operation is really great and that is what makes CTC work. So, I guess I'm saying that I don't really deserve all those things when no one else gets anything, but I will keep and use them!

1980 RUNNING AND WALKING SCHEDULE PRESENTED BY PARKS AND RECREATION DEPARTMENT AND COLUMBIA TRACK CLUB, COLUMBIA, MISSOURI

All inquiries should be directed to Joe Duncan, 2980 Maple Bluff Dr. phone 445-2684

Entry Blanks: For most of our races, you don't need an entry blank. Entry blanks for the Heart of America Marathon, Missouri Valley, National AAU and RRCA events will be available six weeks or so before the event.

AAU Registration: All events are santioned by the Missouri Valley AAU. Our AAU club number is 207. Application blanks for AAU registration may be obtained at the race site. Columbia TC is also a member of the Road Runners Club of America.

Location of Events: Hickman High School Track is one block south of Interstate 70, the Providence Road exit. Hilton Inn is at the Southwest corner of Interstate 70 and Stadium Boulevard. Rock Bridge High School Track is on the west side of Providence Road, 2 miles south of Stadium Boulevard. Research Park is on the west side of Providence Road, about one-half mile south of Stadium Boulevard.

Designated Time Category: All events (except the sprint triathlon, and relays) will be Designated Time (D.T.) events at the option of the competitor. Awards will be given at the end of the season for the top six in the D.T. category. One must compete in at least 10 D.T. events to qualify for an award. Only the lobest predictions will be used in computing the D.T. average (computed on basis of percentage error). DT participants are not to wear watches.

Elapsed Time Category: There will be the following Elapsed Time Divisions: RUNNERS: 1) Open (not including Age 15 and Under or Women), 2) Age 40 and Over, 3) Age 15 and Under, 4) Women; WALKERS: 1) Open, 2) Age 15 and Under, 3) Age 40 and Over, 4) Women. Points will be accumulated during the season with each eligible competitor getting points per race equal to the number of eligible competitors he beats, plus one. Example, there are 8 eligible runners in a race. The first finisher of those eight gets eight points, the last finisher gets one point. At the end of the season, awards will be given as follows: one must compete in at least 5 events to be eligible for an award. At least one award will be given in each division (if the 5 event criteria is met). 50% (rounded down) of the "5 event" competitors in each division will receive an award, up to a maximum of 6 awards. Thereafter, awards will be given at a 1-5 ratio, (rounded to the nearest 5). EVERY race will count as an Elapsed Time event, however, only one's best 22 events (20 for walkers) will count. This gives 2 "free" events.

Dave Schulte Award for Improved Performance: An award given to the competitor who improves the most over the preceding season. The improvement is computed on a median percentage basis. One must have at least 10 duplicate events in order to be eligible for this award. Only the 10 best improvements are considered.

The Season: The "season" commenced with the first race after the 1979 Heart of America Marathon and concludes with the 1980 Marathon.

Eligibility for Awards: Only CTC members and non-members who pay \$5.00 will be eligible to compete for D.T., E.T., and improvement awards. No competitor can establish a D.T. average or accumulate E.T. points until the \$5.00 is paid.

Columbia Track Club Membership: 1980 dues for CTC membership shall be \$5.00 per family. One can be a member of CTC and another track club; however, he can only compete for one club. The \$5.00 will provide a membership for all family members living together in the same household. The CTC Newsletter (12 monthly issues) is included in the \$5.00. For non-members, the newsletter is \$2.00 for an annual subscription.

Entry Fees and Awards: Events shown as "Awards" events will have some kind of merchandise awards. Non-CTC members will be charged \$1.00 for these events. For "Trophies" events all entrants will be charged \$2.00 or \$3.00. In addition, in every event, a Columbia Track Club t-shirt will be given the CTC member who comes closest to his predicted time, but no one can win more than one shirt during the calendar year.

Fun Runs: "Fun Runs" will be held at 9 a.m. (8 a.m. for June, July and August) the 2nd, 4th, and 5th Saturdays of each month at Research Park. This will be informal running, jogging, or walking at any distance the participant wishes up to six miles. Each participant will receive a certificate showing the time for his selected distance, but there will be no determination of placing.
