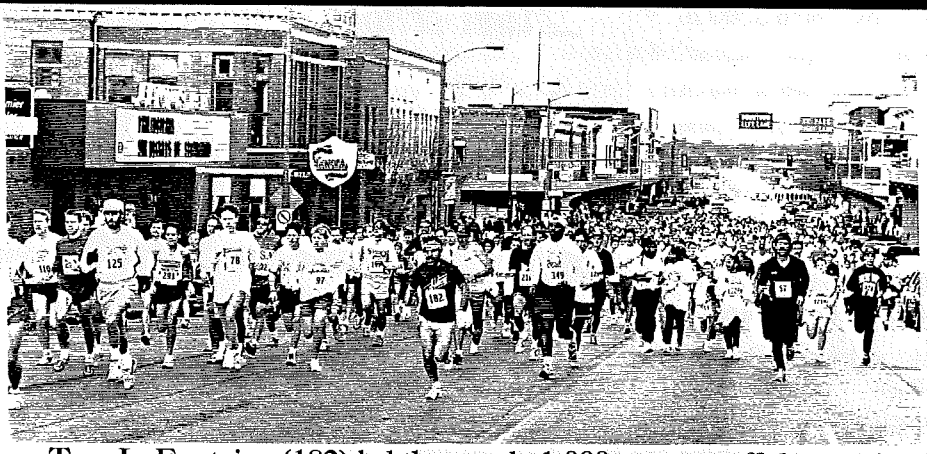
St. Patrick's Day 5-K a complete success



Tom LaFontaine (182) led the nearly 1,000 runners off the starting line in the St. Patrick's Day 5-K, which began and ended on Broadway. (Russ Adams photo)

Congratulations to all the runners and walkers who participated in this years St. Patrick's Day 5-K. The race went well, without any major "ooops."

The 5-K was started by radio personality Sarah Hunter of K102 FM, and the finish was headed by overall winners Bob Hook with a time of 16:08 and Julie Bergfeld with a time of 19:06. Congrats. Bob and Julie.! The Columbia Track Club had a good representation with a lot of runners and walkers.

Thanks to everyone who helped with the race, especially the volunteers: Mark Wilson, Mike Little, Carolyn Little, Cindy Olson, Dave Olson, everyone at Regional Hospital, Elaine Miller, Susie Kempf, Paula Wilson, Anne Hessler, Birgitta Hessler, Jack Lydon, Rick McCallister, Dean Brown, Dave Bray, Julie Bergfeld, Nihal Weerasinghe and Nilini, Cyril Pliquet, Lindy Kempf, Steven Roberts, Heather Pace, Eric Renner, Danny Westhues, Jeanne Bryan, Sam Abadir, Brian Burk, Ruth Bremer, Ruth Henderson, John Alldredge, Ryan Adams, Paul Letourneau, Nancy Young, Tracy Dreier, Dan Fowler, Tracy Stone, Bernice Helle, Kris Chandler, April Kelly, Andrea Curren, Angela Ayers, Linda Olson, Dave Forward, Penny Helle and anyone whom I might have forgotten.

Club to award four scholarships

The Columbia Track Club is committed to awarding up to four youth scholarships worth $500 to Columbia high school cross country and track and field athletes this year. Scholarships will be given to one boy and one girl from each high school.

Applicants must be members of the Columbia Track Club and participate in CTC events, either as athletes or volunteers. Criteria for awarding the scholarships are based on academic as well as athletic achievement.

Applicants may pick up scholarship forms from their high school coaches. Dick Hessler, chair of the CTC Youth Scholarship Committee, will work with Tom Allen and Michele McFadden to review the applications and award the scholarships.

Because the amount of future awards will depend on the availability of funds, Dick and Michele have proposed the club hold a cross country meet in conjunction with the annual Rock Bridge-Hickman dual meet.

The idea would be to provide the high schools with volunteers and support during their event and then host an open meet on their course immediately after the high school races. All entry fees collected would be contributed to the youth scholarship fund.

Coach Rick Baer of Rock Bridge and Coach Steve Luetjen of Hickman have been presented with the idea, and Dick and Michele hope to meet with them soon to get their reaction, and hopefully, their approval.

No point standings this month

Because the club had no races that counted in our points competition, we are not running the points standings this month. They will return in next month's newsletter.

Races, races, races

April is a big one for races in mid-Missouri, as well as the rest of the state.

CTC has two events, highlighted by the resuscitated Human Race on April 23. It will be a 5-miler in the Bethel Park area. See On Your Marks and the enclosed entry form for more information.

There also is the McNair House Run for the Gold 5-K on April 16. The course is similar to that of the St. Patrick's Day 5-K, although the start and finish will be at Defoe Hall on the M.U. campus. Entry forms are available at Tryathletics.

On the same day in Mexico is the Y's Most Taxing Run, with a 10-K and a 5-K.

For information on these and other races, see Page 5 of this newsletter.

You also can begin to plan for the 5-K Run/Walk for Special Olympics on May 7. More on that race in next month's newsletter.

On Your Marks

By Joe Marks
CTC President

The Human Race lives!

We will hold this legendary event April 23 (see the entry form in this newsletter) with a couple of wrinkles. It will be 5 miles (not 10 kilometers) and it will be on an easier course with about 20 fewer intersections. We'll start on Bethel Road and finish in Bethel Park, with the majority of the event on Nifong (go west to Country Woods, then return).

We will have plenty of awards, T-shirts to all finishers and refreshments. We are also planning special post-race festivities. More about that next time. Meanwhile, start tuning up.

❖❖❖

High school seniors, apply for our scholarship. See details in this newsletter.

❖❖❖

Kudos to all those who helped with the St. Pat's Day 5-K. Curt Kempf and Mark Wilson did a good job of coordinating this event, which raises $1,000 for CTC events, the summer youth program and scholarships.

❖❖❖

The summer youth program starts June 8. I've already had lots of calls. Tom Allen is director. He'll tell us more about this very popular program in our next newsletter.

25 years ago:

Back to the beginning

By Joe Duncan

Jan. 26, 1969

An 8-mile run at Cosmo Park was scheduled, but . . . well, let's repeat what Bill Clark had to say in the third issue of the CTC Newsletter:

"On Jan. 26, a day hardly given over to athletic competition, the CTC members showed up for an 8-miler. The temperature was a little above zero, the wind was from the northwest at slightly less than gale pace and the snow was already six inches deep and getting deeper.

"Bill Taft didn't make it because he couldn't dig his car out. Dave Carlson didn't make it because he was down with the flu and thought everyone had better sense to boot. Clark didn't make it because of an afternoon basketball engagement. Joe Duncan thought someone might come out and he struggled to Cosmo Park to tell anyone silly enough to show that the race had been postponed until Feb. 2.

"He found six snow birds on hand ready to journey off into the blizzard. No stopwatch was on hand and no amount of talking would keep the eager sextet from starting out. So, with no watch and no designated times to shoot for, the six set off around Cosmo Park.

"The wind howled, dogs whined and dug deep into the snow. Joe Duncan bundled himself against the wind, and the Earth was quiet for not another creature stirred. Just the six. And they stirred long enough to loop the park twice and call it quits after 21 miles. But their names were emblazoned in print and the community scratched its head in doubt."

Those hardy six runners were Dennis Martinson (the man to beat in those days), Ron Edwards, Joel Dickinson, Al Shimkunas, Murrel Jackson and Elmer Mantle. It was from that race we learned you NEVER postpone a CTC event. Regardless how miserable the conditions, we learned there will always be a few hard-core nuts who will show up.

Feb. 2, 1969

Now we had the 8-mile run, and it was won by Dennis Martinson in 45:12 with Joe Duncan winning the walk portion in 1:11:55.

Feb. 16, 1969

Joe Duncan won a 5-mile run in 33:39, one of the few races he ever won, even in those days. It helped that there were only five competitors.

The start of the race was in Cosmo Park with the finish at the old Coral Motel, where the Holiday Inn Executive Center is now located.

Coach's Corner

By Coach Wayne Armbrust

With indoor track season over, I thought I'd bring people up to date about the activities of CTC athletes in indoor meets this winter.

On Jan. 15, Larry Henze, Michele McFadden and Gayle Johnson traveled to Missouri Valley College in Marshall. Larry won the 3,000 in a rather slow time of 9:41.8. He had very little competition in the race. Michele was the only woman to run the 3,000, having to run in the same race with the men. She finished with a time of 10:28.9. The feature race of the day was to be between Gayle and a Missouri Valley woman racewalker from Russia in a 3,000-meter race. However, the Russian woman decided not to race, so Gayle walked against only token competition, winning in 15:36.1.

On Feb. 4-5, Gayle and Michele competed in the Saluki Invitational at Southern Illinois University at Carbondale, Ill. Michele was third in the 3,000 with 10:19.56. She made a gutsy move to take the lead halfway through the race, but was outsprinted in the last 600 meters. Gayle had little competition in her race, winning at 3,000 (the standard indoor distance for woman racewalkers) in 15:19.60 but failed to meet the qualifying standard for the indoor USATF Championships of 14:40.

Two weeks later, Gayle returned to Carbondale for the Southern Illinois Open, where she qualified for the USATF Nationals with a time of 14:21.19, for a PR, lapping the field in the process. Michele was unable to compete because of a slight knee injury suffered when she slipped on ice during a training run.

On March 5, Gayle competed in the USATF National Indoor Championships in Atlanta. Unfortunately, she was disqualified in the race. I thought she was walking legally, although marginally so. The judges thought differently, however. Gayle has a style that is different from most other walkers, and I think sometimes she gets a DQ call from a judge merely because she looks different from the other walkers.

If anyone taped the meet (it was broadcast on the Prime network), I would appreciate a copy of the portion showing Gayle's race. If you taped the meet, please call me at 445-6675. We have been working very hard the last two weeks to change her form to a more conventional and, I believe, more efficient style that will make the judges happy.

Our outdoor season starts March 26-27, with Michele going to Southwest Missouri State to run the 5,000 in the SMSU Invitational and Gayle traveling to Washington, D.C., to compete in the National Invitational 10,000 (the standard women's outdoor distance). This race is one of the biggest racewalk meets of the year. I hope to get some other members such as Larry Henze and Rob Jensen in action soon also.

On the right track

By Coach Wayne Armbrust

On Friday, March 18, I attended a meeting of the Columbia Pachyderms at which the candidates for school board were guests. Each candidate had four minutes to make his or her presentation, after which the floor was open to questions.

I remarked that athletics were an extremely valuable part of the overall educational experience and asked if there were plans to upgrade the athletic facilities at the two high schools. I expressed my opinion that the facilities seemed poor, especially the tracks.

When I said that, Joan Bay's face lit up. She immediately jumped on my suggestion, emphasizing how bad the tracks are and mentioning the efforts that she had made to get the tracks upgraded. She really seems enthusiastic about track, and I am sure if reelected she would continue to do all she can to get a modern track installed at at least one of the high schools.

There are two positions to be filled. Of the other six candidates besides Mrs. Bay, Don Ludwig seemed most willing to support a new track facility. School board elections are April 5. Be sure to get out and vote.
