

2019 Parley P Pratt Freedom Run

Over 400 people were in attendance for the Parley P. Pratt Freedom run this year, with 171 runners completing the 4 mile run and nearly 200 completing the 1 mile run. Prior to the race veterans were recognized and a Cub Scout Pack posted the flag and led the crowd in the Pledge of Allegiance. Then patriotic singing was followed by a short message by Phil Schaefer, Senior Pastor at Christian Fellowship. He stressed the importance of religious freedom and how this First Amendment freedom should be recognized and protected.

It was warm and muggy with starting temperatures in the upper 70s when the races were started. To see photos of the event, visit www.facebook.com/pppfreedomrun .

Unfortunately the registration for the 4 mile race failed on several of the laptops. Thus we are unable to link runner names with bib numbers. What we are able to provide the sequence and time by runner bib number. We are hoping to go to an automated chip system for next year.
